Donate or Sell Your Old, Unwanted Gold & Silver for a Good Cause

HOW IT WORKS:

- 1 - Individuals gather their unwanted gold & silver items, and items from family and friends, to sell to DMK Metal or to outright donate to Elderwerks Educational Services.
- 2 - Each person can meet individually with DMK Metal to sell their items. The individual can then donate a portion of their proceeds to Elderwerks Education Services.
- 3 - If the person wants to donate their items outright to Elderwerks, the items can be dropped off at the Elderwerks office in Palatine and DMK Metal will convert these items into a cash donation.
- 4 - A receipt will be given to the person making the donation.

ABOUT DAVID KAZ

Working as a bag boy at his grandparents Rogers Park grocery store in the 70s, David was fascinated by the silver dimes, quarters, half dollars, and war nickels that would appear in the cash register. He exchanged the modern versions for the silver change and that started his 40+ year interest in silver and gold. Since 2015, he has been actively purchasing unwanted gold and silver items from clients at the highest prices and enjoys educating his clients on the value of their gold and silver jewelry, sterling flatware, coins, and more.
